\*\*\*\*\*

Southend of Kentze  
North Britaian, Scotland  
29 July 1773

These certify all whom it may concern that the bearer, Alexander McLarty, a married man and his family have lived in this parrish from their infancy, and always behaved themselves civilly, soberly, and honestly, free from scandal, church censure so that they may be received into any Christian Society where Providence may order their lot.

Written by order of the Session, day and place above mentioned.

by David Campbell, Minister  
Jane Doig, Sess. Clerk.

The original manuscript of the above letter is in the hands of Dr. T. A. McLarty, Hope Ark.

T.A. McLarty is the son of G.W. McLarty, who was the son of John McLarty, who was the son of Alexander McLarty by his third wife, Barbary McNaught.

They moved from Scotland to America in the year 1774.  
He was the youngest of 12 brothers. The 11 older brothers were all sailors and are supposed to have been lost at sea.

The above copied from old family Bible belonging to G. W. McLarty.

SAMUEL T. HOUSTON was born in Iredell county, N.C., August 4, 1811; and died in Cherokee county, Ga. August 4, 1877. He professed religion and joined the M.E. Church, South (Methodist Episcopal Church, South), in 1868. He was afflicted most of his life, but bore his afflictions patiently -- ever resigned to the will of the Master. In all the varied relations of citizen, husband, father, brother, and friend, he nobly exemplified the traits of character that make up the true Christian gentleman. He was selected by his fellow citizens to represent them in the State Convention in 1868, in which position he proved

true to Georgia and his friends. As a Christian he was devoted, consistent, and sincere, -- always glad when an opportunity offered to go into the house of the Lord. His end was peace. Gently and quietly as the falling of night's dews, he went to rest when life's weary wheels ceased. C.M. McClure.

(another clipping)

Intelligence has reached me of the death of sister ELIZABETH McCONNELL, wife of Isaac McConnell, formerly of Cherokee county, Ga., now living in Parker county, Texas. Her numerous friends in Georgia will feel sad to hear of this, for she was highly esteemed by all who knew her.

It was my good fortune to be often at her happy home. I was with the family the last night they spent in their house in Georgia, and witnessed some of the last farewells of her neighbors. I remember her sweet, cheerful, hopeful spirit, how ready she was to go to Texas for the future welfare of her children. She seemed to live to make others happy. She was a loving wife and mother, a good neighbor, and above all a devoted Christian.

She was born August 22d, 1820, near Lawranceville, Ga., joined the Church in 1830, and died June 3, 1873. Her husband writes, "My wife has been confined to her room and bed for the last eight months, gradually growing worse until the 3rd day of June when she died, remaining in her usual mind to the last, and asking us not to grieve for her. A while before she died, she said, 'Is this death? If so, I never felt so sweet.' She died in the full triumphs of a gospel faith. I have no doubts of her acceptance with God." Her children rise up and call her blessed; her husband also, and he praiseth her.

WM. A. SIMMONS.

CONTRIBUTOR'S NOTE: The Houstons were from Iredell Co., NC, and E.J. McConnell was the son of Isaac, son of John, Jr., son of John McConnell of Waxhaw Settlement, S.C.

(The late) Leon S. Hollingsworth in his notes lists the following, written by Isaac McConnell. Where is this manuscript? Need its full text.

"John McConnell, grandfather of the writer, was born in Scotland and lived there until he was twenty-one years old. He was born 1750 and after he became of age he and four brothers came to America before the Revolution. The other brothers were James, Robert, Joseph, and Joshua. James and Robert were killed by Tories in the Revolutionary War. There was one sister who came with them. She married James Little who was killed by Tories, and afterwards she married John Chambers."

Dear Mr. Dennison:

Thank you for answering my query. I am late in answering your letter, but we have had flooding here from recent rains. We escaped any damage, but the water came close.

Thank you for the information on Simeon and Matilda Strickland. I think that Simeon is the nephew of John, Solomon and Simeon Strickland who came to Wayne County, Mississippi Territory in 1810 and 1811. The names Solomon, Simeon, John, Drewry and Irvin are all from the same family. Do not know at this time who their parents were. These same names show up in Nash County, N.C. prior to their coming to Georgia.

I believe that Susanna who appears in the 1850 census of Cobb County, GA is the mother of Simeon who married Matilda Bates. She shows her age to be 65 in 1850 and a daughter Jane is living with her. A deed in Jackson County, GA in 1807 shows that her husband was Drewry Strickland. Drewry Strickland appears on the Jackson County Tax Rolls in 1797 and thereafter until 1818 when Gwinnett County was formed, and his land was cut off into Gwinnett County. Drewry Strickland appears in Gwinnett County until his death between 1830 and 1840. The 1840 census shows Susanna as a widow on the cen

Enclosed are group sheets which show the families of Solomon, Simeon, and John who came to Mississippi. The information on John and Simeon has been documented with records from the Bureau of Indian Affairs and Probate Court Records of Lauderdale County, MS. Solomon is a different story. He disappears in 1823 from Perry County, MS but children show up later who do not belong to either John or Simeon and who must be the children of Solomon, as there were no other Stricklands here.

A tentative list of the children of Drewry and Susanna is as follows. This is derived from census and tax rolls. I am sure it is far from correct, but is a start. Any help you can give and anyone you might know that we could contact for help would be greatly appreciated.

Simeon b 1801 married Matilda Bates daughter of Mathis Bates

A tentative list of the brothers of Drewry Strickland is as follows.  
Marriages are based on Jackson County, GA Marriages.

Drewry Strickland married Susannah (possibly Wynn)

Soloman married Julia Windham

Simeon married Jane Hale

John married Margaret Baskin

Irvin]or Erwin as sometimes spelled] married Patsy Crow.

There appear to be two families involved. In 1818 Hall and Gwinnett Counties were formed out of Jackson County. One Drewry Strickland was in Gwinnett County and a Drewry Strickland about the same age was in Hall County. One Simeon was in Hall County about the same age and a Simeon came to the Miss. Territory, along with Soloman and John. Irvin is in Hall County.

In the 1820 census of Gwinnett County, GA Simeon son of Drury and Susanna Strickland is living next door to his father-in-law Mathis Bates. Drewry is living next door to William Baskin, father-in-law of John Strickland who came to Mississippi.

In 1820 Census of Hall County Drury Strickland, son of Simeon is living between his father and his father-in-law, John Wilson. Drury married Elizabeth Wilson and they had a son Simeon Strickland who is living with his Uncle Hugh Wilson in the 1850 census of Walker County, GA.

Drury Strickland's land grant in Jackson County, GA shows his land adjoining James Cochran and Elisha Winn. Elisha Winn married James Cochran's daughter. Elisha Winn shows in the 1850 census of Cobb County. Susanna Strickland, wife of Drewry, may have been a sister of Elisha Winn.

I hope that I have not thoroughly confused you. I have concentrated my efforts on this family for so long that I forget to fully explain sometimes. I have not tried the Methodist Church records, but will do so in the near future.

Enclosed is a copy of a clipping from the Matagorda (TX) Bulletin dated August 9, 1837. This advertisement gives the Rev. Simeon Strickland of Cobb Co., Georgia as a reference as well as Elish Wynn, Esq. of Lawrenceville, Ga. I wonder if this James R. Strickland who was in Texas so early is a brother of Rev. Simeon Strickland.

If you can give me any help or advice on continuing to trace this Strickland line, it would be greatly appreciated.

Sincerely,

Dear Mrs. Strickland:

Hello! I'm writing in response to your note in the January 6, 1983, FAMILY PUZZLERS. My great-great-great grandfather was Simeon Strickland. (Enclosed you will find the family charts that lay it all out.)

I have just begun to do research into the family history, and genealogy is a surprising new find. Although I had thought of doing the basics for many years, once I took the initial plunge in January I found out that it was a very different experience to the one I had imagined--and I like it all the same!

What prompted me to start was the idea of presenting as much as I could find to my cousin (also a Strickland descendant) for Christmas. Mindy (daughter of Robert Scott McConnell and Mary Davis) has two children of her own, and we have often talked about putting together some information on the family to pass on to them. Since I am the spinster in the family (and happy to be!) I elected to do the work and surprise them come December.

I am, as I said, new at this, so I don't know what to say to someone who is part of my family, and my family history, but whom I do not know at all. Maybe the basics would get us rolling.

I was born in Texas. Lived there until I was 23. Then moved to California to be closer to Mindy--and, bless her heart, to put some distance between me and my mother. (Mom died July 4, 1981--we had long since warmed up to each other again--and I still miss her. But I must admit, trying to rear my mother was the hardest work I ever did.)

I held various jobs for a couple of years, then fell into a position with an associate producer of television shows. Since then, in one capacity or another I have been in the entertainment business. Right now I am the secretary to the Vice President of Current Programs at Columbia Pictures Television. We have HART TO HART, T.J. HOOKER, FANTASY ISLAND, and RIPLEY'S BELIEVE IT OR NOT on the air right now. There will probably be more after the selling season--that starts at about 3:30 today (or in a week, depending on where you sit).

I have two cats--a spinster would--and an about-to-be-born horse (I want a girl) and I have hit the let's-decorate-the-house stage of my life, adding a love seat and roll top desk to the guest house I live in.

Don't know what else to say. I would enjoy hearing from you, and, of course, any Strickland information that you have that carries back further would be very welcome.

My home address is below. Look forward to hearing from you.

Subject: SIMEON STRICKLAND, Descendants.

Dear Mrs. Strickland:

I note with interest your desire to correspond with the descendants of The Rev. Simeon Strickland of Cobb Co., GA. His first child, per my records, Elizabeth is my great grandmother. She was married to Isaac McConnell also of Cobb Co., GA. Copy of obituary enclosed.

This McConnell family left Georgia in the early 1870's for Texas. They located in Parker and Johnson Counties SW of Fort Worth. The two oldest boys were members of Phillips Legion Cav.

For your information enclosed is all of the data I have from a family source on the Strickland Family as it connects with the McConnells. This material isn't complete and within itself doesn't fully checkout. My family data sheet for Isaac McConnell is enclosed.

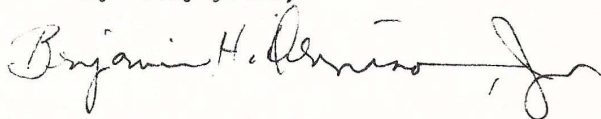

A couple of years ago I joined STRICKLAND RESEARCH, INC. of 1661 Lauranceae Way, Riverdale, Georgia 30296, but as yet I haven't made contact with anyone searching the Simeon Strickland line, that is until your query. Are you a member? If so any results?

Have you made any attempt to obtain information via the Methodist Church? My local efforts have been zero - haven't tried the National Historical Office.

I am in the middle of a very long and protracted effort to document the McConnell's from my grandfather Eli Jefferson with the usual uncooperative cousins. I have some brief information on the other children of Isaac and Elizabeth McConnell, but the field is rather wide open at the moment. I am spending most of my spare effort on the military history of Phillips Legion Cavalry and the basic data just isn't too plentiful. As far as I know I do not know of any direct searcher in these lines.

I would appreciate hearing from you with any additional Strickland information, such as corrections or additions to the enclosed family data sheets.

Very truly yours,

Dear Jaeline:

I was delighted to hear from you and to learn of another Strickland Cousin. Also to find another Texan in the family. My husband, Ben was born and raised in Texas. We lived in far west Texas for 22 years until he retired in 1977. We were anxious to move away from that desolate, desert country and settled on the country where his ancestors came from.

Thank you for the information you sent. It adds to what we have. Have you corresponded with Mr. Benjamin H. Dennison, Jr., 3644 38th Street, Arlington, VA 22207. He is working on the McConnell branch of your family and has just begun working on the Strickland portion.

We believe that Simeon Strickland who was the father of Elizabeth Strickland who married Isaac McConnell was a nephew of Ben's Ancestor Solomon Strickland who came to Mississippi in 1811. This Solomon Strickland is Ben's great, great grandfather.

Enclosed are group sheets on Ben's family as far as we know. We do not know who the father of Solomon, Simeon, John and Drury, and ERVIN was, but are working on it.

We believe that Drury or Drewry (spelled variously) was the father of Simeon Strickland who married Matilda Bates and was the father of Elizabeth Strickland McConnell.

A tentative list of the children of Drewry and Susanna Strickland is as follows. This is derived from census and tax rolls. I am sure it is far from correct, but it is a start. Any help you can give and anyone you might know that we could contact for help would be greatly appreciated.

Simeon b 1801 married Matilda Bates daughter of Mathis Bates  
Son born 1802  
Son b 1804

A tentative list of the brothers of Drewry Strickland is as follows:  
(incidentally, we think that Susannah wife of Drewry Strickland was possibly a Wynn)

Soloman married Julia Windham  
Simeon married Jane Hale  
John married Margaret Baskin  
Irvin or Erwin or Ervin married Patsy Crow

There appear to be two families involved which contain Drewry Stricklands of a comparable age. In 1818 Hall and Gwinnett Counties were formed out of Jackson County, GA. One Drewry Strickland was in Gwinnett County and one Drewry Strickland was in Hall County. One Simeon was in Hall County about the same age and our Simeon who came to the Mississippi Territory, along with his brothers Soloman and John. Irvin is in Hall County.

In the 1820 census of Gwinnett County, GA Simeon son of Drury and Susanna Strickland is living next door to his father-in-law Mathis Bates. Drewry is living next door to William Baskin, father-in-law of John Strickland who came to Mississippi.

In 1820 census of Hall county, Drewry Strickland, son of Simeon is living between his father and his father-in-law, John Wilson. Drewry married Elizabeth Wilson and they had a son Simeon Strickland who is living with his Uncle Hugh Wilson in the 1850 Census of Walker County, GA.

Drewry Strickland's land grant in Jackson County, GA shows his land adjoining James Cochran and Elisha Winn. Elisha Winn married James Cochran's daughter. Elisha Winn shows in the 1850 census of Cobb County, GA. Susanna Strickland, wife of Drewry, may have been a sister of Elisha Winn.

I hope that I have not thoroughly confused you. I have concentrated my efforts on this family for so long that I forget to fully explain sometimes.

Also I tend to include too much information all at once. What I have intended to convey above is that, I think your line goes back this way.

Rev. Simeon Strickland is the son of Drewry Strickland and Susanna (possibly Winn). Matilda Bates is the daughter of Mathis Bates.

I believe that Ben's great, great, grandfather Soloman Strickland was a brother to the father of Rev. Simeon Strickland.

Would like to hear from you again and to know any further information you might come up with that would help us with our mutual ancestor.

Sincerely,

*Jean Strickland*
